Foreward

Welcome to Windsor Polo Club's 2026 Membership Program.

As a committee, we have worked hard to ensure our 2026 memberships are full of genuine value, thoughtfully structured, and tailored to suit the many different situations, stages, and goals of our members — from those discovering polo for the first time to long-standing players, families, and supporters of the club.

Windsor Polo Club is proud to be the only committee-run polo club in the Hawkesbury. That means our club is shaped directly by its members. Every membership contributes not only to access on the field, but to the ongoing development, maintenance, and growth of our grounds, facilities, programs, and events. Your involvement enables us to invest in the future of polo in the region while preserving the strong foundations built over many decades.

More than anything, Windsor is a place of camaraderie and community — a common ground where players, families, volunteers, and supporters come together through sport, shared purpose, and friendship. Our members are at the heart of everything we do, creating an environment that is welcoming, inclusive, and proudly representative of the Hawkesbury polo community.

We invite you to explore our 2026 membership options, to find the category that suits you best. By joining Windsor Polo Club, you are not just becoming a member — you are becoming part of a club that thrives because of its people.

We look forward to welcoming you for the 2026 season.

Flexible 6-Month Membership Options

We know life (and polo seasons!) don't always line up perfectly — so for 2026, 6-month memberships are available across most categories.

Here's how it works:

- A 6-month membership is 60% of the full membership fee for the category you choose
- If you decide in July that you'd like to continue for the rest of the year, simply pay the remaining 40% — no penalties, no fuss
- If you join from July for 6 months, the fee is 60% of the annual membership

Please note: NSW Polo Association (NSWPA) insurance is only available as a 12-month policy, so all playing members will also be required to pay the \$500 NSWPA insurance fee.

It's another way we've made Windsor Polo Club memberships flexible, accessible and tailored to suit you — whether you're easing into polo, juggling commitments, or just want to test the waters before going all in.

More choice. More flexibility. Same great community. ❤️
